PALKINTO

These Bread Do Not Exist

Tools (stolen code and resources)

- StyleGAN by Nvidia
    - https://github.com/NVlabs/stylegan2

- OpenImages by Google
    - https://storage.googleapis.com/openimages/web/download.html
    -

- Overall insufficient time and data

Less than optimal effort & resources → Less than optimal results

@leipaen_leipojae_bot

- He is a busy bot, no queues
→ if an order is already on the way, all other concurrent customers will be left hanging and have to replace their orders

Make result more believeable
