

Auto Link Activation

This demo shows the feature of activating links in texts.

Web links like <http://www.gnostice.com> are activated automatically.

Even email ids like info@gnostice.com are hyperlinked.

FTP sites <ftp://www.yourcompany.com> are also activated.

File locations like [file:///C:/Documents and Settings/AES/Desktop/Vikram/Vikram/Borcon2K4Demo/Te](file:///C:/Documents%20and%20Settings/AES/Desktop/Vikram/Vikram/Borcon2K4Demo/Te)
